ARCHITECTURE & DESIGN

PRODUCT DESIGNER BADGE WORKSHOP

SATURDAY, NOVEMBER 7 10AM-12PM

Space Limited. Registration Deadline: October 30

Open to Brownies and Juniors • \$10/scout Badge included

Have you ever thought that you could improve the things you use every day? Your backpack, a water bottle, a phone? Here's your chance to innovate and try out new ideas for the next great product! Scouts will complete all requirements for this badge.

"DISC"OVERY ACTIVITY AND BUILDING TOUR

Open to all levels – dates and times can be customized for the group. Register with Monona Terrace \$4/scout.

This hands-on team activity challenges your troop to build large scale structures with cardboard discs. You'll learn about construction as you build the highest tower and the strongest dome. Then go on a guided tour to explore how Monona Terrace was designed and constructed.

SCAVENGER HUNT

Open to Cadets, Senior and Ambassadors - dates and times can be customized for your group. Register with Monona Terrace \$8/scout.

This exciting adventure challenges you to trivia, riddles, photos and checkpoints, all while learning about architect Frank Lloyd Wright and his Monona Terrace project.

One smart phone per team is required. Prizes awarded to the winning team!

All programs occur at Monona Terrace Community and Convention Center.
