

Free Architectural Fun & Learning for the Whole Family!

Saturday, April 23
10am – 4pm

Monona Terrace Exhibition Hall

- View 10,000 square feet of “green” scale model cities which were designed by 1,500 local students using recycled materials!
- Create your own building out of recycled materials and add it to our model city of Madison
- Make a structure using cookies and other edible decorations
- Enjoy a big block building area and other hands-on activities

Free and open to the public, with thanks to: Wisconsin Architects Foundation
