

You must include:

- **Housing - at least 1 apartment building and 5 houses**
- **At least 1 grocery store**
- **Two modes of transportation**
 - **If you add more roads, where will they park and get gas?**
- **At least 3 fun places and 3 important places**
- **Anything else you would want your city to have**

Your transportation system must make it so ALL the kids in this town could get from their home to school, from home to the grocery store, and from home one fun place safely using active transportation.

**Assume all the houses and apartments have a kid living there.
This should also be a city that people want to live in**
